

MATCHING EUROPE / INDIA

NQAbogados/LawyersJune 2018

English Version

Through the expertise of *NQ LAWYERS*, we have created "*MATCHING INDIA*", the first business exchange platform between Indian and Spanish companies.

¿ Would you like to promote your company to thousands of Spanish and South American companies related to your sector?

¿ Are you looking for partners, want to manufacture in Spain or just sell across the European continent?

[Subscribe](#)[Past Issues](#)[Translate ▼](#)

Register your company, your offers and request and we will take care of broadcasting them through our biweekly Newsletter to thousands companies in Spain, Europe and also to companies in Latin American countries such as Chile, Ecuador and Mexico.

The process is entirely free for you and your company.

Make all your contact through our website and we will join you in your adventure!!!

Subscribe your Company

European News

Real Madrid Wins the 2018 Champions League

The night belonged to Bale.

The Reds were dealt the most devastating of blows in the first half as Mohamed Salah left the pitch in tears following a shoulder injury.

With Liverpool struggling to find a

Updating the Tax Treaty between India and Netherlands

India is unlikely to amend its tax treaty with the Netherlands as it did with Mauritius, Singapore and Cyprus and this could shape the investment strategy of foreign portfolio investors (FPI) and private equity (PE) funds investing in India, said three people in the know.

Spain, pioneer in Biothecnology

In terms of turnover, 51.55% is attributed to companies which consider biotechnology as a secondary line of business, while 41.4% of turnover is generated by companies where biotechnology is a necessary tool for production, and the remaining 7.04% is
